Sept. 20	<p>Growing Our Faith: Helping Others Discover Unitarian Universalism Many of us can remember feeling adrift before finding a church home in Unitarian Universalism. First U has long been a leader in growing UUism by starting several churches in this region. Today the Denominational Growth Committee will present a short history of its accomplishments. They have discovered that creating these opportunities and growing our faith is a deeply rewarding activity.</p>	<p>Denominational Growth Committee</p>
Sept. 27	<p>Torah Study Group: A New Connections Circle If you have an interest in the Old Testament, or are curious to learn more about Judaism, then come hear more about a new Torah Study Group that will be meeting monthly on 2nd Sunday mornings, beginning on October 11th. Mitch will lead discussions on the Old Testament from the Jewish perspective and will also introduce some Jewish concepts that may not be commonly known outside of Jewish circles. He has the knowledge to facilitate these discussions, which are sure to be lively and informative.</p>	<p>Mitchell Weiss</p>
