WORLD CAFÉ UU STYLE QUESTIONS

Goal 4 of the Strategic Plan states: **Ensure Sustainable Facilities to Support our Mission.**

One strategy included in the plan is to **create a vision for mission-focused facilities and land usage.** The Board & Strategic Planning Committee want to hear your ideas about this strategy in order to inform future planning for sustainable facilities.

At the World Café UU Style event, we will facilitate a discussion to collect your thoughts about the future of our building and grounds. No need to wait, you can start reflecting on this now. Here are the questions we will consider together.

- 1) What physical resources (buildings/grounds/things – not people/activities) do we need to fulfill our Mission?
- 2) How do we ensure we can afford the facilities we need/want for generations to come?

We know life is busy. If you cannot attend our World Café in January, please share your ideas by e-mail to strategicplan@firstuuwilm.org or meet with a member of the Board or the Strategic Planning Committee.

Thank you!
