One individual may be briefly alone with a group when the other must leave as dictated by common sense and necessity for such purposes as bathroom breaks and escorting individual children away from the group.
- Volunteers shall immediately notify the DRE, CYRE Team Member on Duty or other First Unitarian staff whenever there are not at least two Guides or Assistants so that CYRE staff can assist in providing a second volunteer or staff member or provide for merging of groups for that activity.
- Children engaging in CYRE activities on First Unitarian property, including on the playground or on the grounds, shall also be adequately supervised. In an open area (e.g., for nature walks), one Guide or Assistant should lead the group and one should follow at the rear.

- Parents are responsible for supervision of children and youth on First Unitarian property outside of organized CYRE classes and activities.
- Volunteers and CYRE Staff may not use or be under the influence of alcohol or illicit drugs when supervising children or youth.

Youth Group Guidelines

The Youth Group will create a covenant each year that addresses issues of sexual behaviors, sexual harassment, and sexual relationships. The Youth Group may review the prior year's covenant and discuss whether they want to make changes. Adult leaders should guide the discussion to assure that it does not violate the state's consent laws or federal sexual harassment law. Items to discuss include:

- Is it permissible for youth group members to be in romantic and/or sexual relationships with each other?
- What physical displays of affection are allowed in the group among members?

- If hugging and cuddling is okay, how can a person who does not want such touching let the other members of the youth group know?
- During youth group events, is kissing, hand holding, or going off alone to engage in permissible sexual behaviors permissible?
- If a person is found violating the guidelines on private sexual behaviors, what actions will the youth group and the adult advisors take?
- What will be done if someone makes comments and remarks that are offensive to another based on a person's sex, sexual experience, sexual orientation, race, ethnicity, or gender identity?
- What policies will be followed if someone creates a sexually harassing environment such as sexting, sharing sexually explicit materials, or telling sexual jokes during youth group times? Outside of the group?
- What are the policies related to cell phones, picture taking, posting online, using the Internet to access sexually explicit materials during youth group or youth group events? What will be done if these policies are violated?
- What does the Youth Group assume about confidentiality about people's individual sharing? What is it okay to share outside of the group?

1. The DRE must approve all off-campus field trips and overnights. Approval will include the consideration of age and developmental stages, transportation, costs and appropriately screened chaperones. If age restrictions preclude the entire group from attending, or the activity appears inappropriate, the field trip will not be approved. Volunteers must bring up potential conflicts when proposing a field trip to allow for full consideration by CYRE staff.

2. The CYRE staff prefers to receive information on all field trips and overnights involving children and youth 4 weeks in advance, but at a minimum at least 2 weeks in advance in order to vet, promote and obtain permission forms from parents/guardians.

Reporting

Any person in the congregation who has a concern or knowledge of physical abuse, neglect, sexual abuse or sexual harassment involving a congregant (child, youth or adult), visitor or staff member of the congregation is urged to contact a member of the Safer Congregations Committee.

According to Delaware state law, abuse or neglect involving children must be reported by any person who knows or in good faith suspects child abuse or neglect.

- An oral report shall be made immediately and can be made through the 24-hour statewide toll-free hotline (1-800-292- 9582).
- A written report must be made if requested.

Delaware law also requires any person who believes that an older adult (over the age of 60) is being abused, neglected, exploited or abandoned to call the elder abuse hotline.

- An oral report shall be made immediately and can be made through the 24-hour statewide toll-free hotline (1-800-223-9074).
- A written report must be made if requested.

Harassment

The Church is committed to providing an environment that is free from all forms of discrimination and conduct that can be considered harassing, coercive, or disruptive, including sexual harassment. Actions, words, jokes, or comments based on an individual's sex, race, color, national origin, age, religion,

disability, sexual orientation, gender identity or expression, or any other legally protected characteristic will not be tolerated.

Any employee, volunteer or member who feels that he/she has been a victim of harassment should immediately report such incidents to his/her supervisor, the Executive Team, or the Board President. All allegations will be quickly, discreetly and thoroughly investigated. To the extent possible, all information including information from the alleged victim, any witnesses and the alleged harasser, will be kept confidential and protected against unnecessary disclosure. Reprisals against a victim of harassment are forbidden. When the investigation is completed, both the accuser and the alleged harasser will be informed of the outcome of the investigation.

Concerns about professional sexual misconduct by one of the ministers should be brought to the attention of the committee, and the President of the Board of Trustees who will contact the appropriate denomination staff.

Definition of Sexual Harassment

Sexual harassment refers to behavior of a sexual nature that is unwelcome, personally offensive, or interferes with the performance and/or effectiveness of the recipient. Sexual harassment is a form of misconduct that is demeaning to another person and undermines the integrity of the working relationship. Sexual harassment can be committed by, for example, a supervisor, co-worker, volunteer or vendor.

Unwelcome sexual advances, requests for sexual favors and other verbal or physical conduct of a sexual nature constitute sexual harassment when one or more of the following are true:

1. Submission to such conduct is made explicitly or implicitly a term or condition of an individual's employment;
2. Submission to or rejection of such conduct by an individual is used as a basis for an employment decision affecting such individual; or
3. Such conduct has the purpose or effect of unreasonably interfering with the employee's work performance or creating an intimidating, hostile, or offensive working environment.

Policy Regarding Disruptive Behavior by an Adult

While openness to a wide variety of individuals is one of the prime values held by our congregation and expressed in our denomination's purposes and principles, we affirm that our congregation must maintain a safe and secure atmosphere where such openness can exist. When any person's physical and/or emotional well-being or freedom to safely express his or her beliefs or opinions is threatened, the source of this threat must be addressed firmly and promptly, even if this ultimately requires the expulsion of the offending person or persons.

There may be times when the disruptive behavior of an individual within the church building leads members to voice a concern about one or more of the following:

1. Perceived threats to the safety of any adult or child;
2. The disruption of church activities;
3. Diminishment of the appeal of the church to its potential and existing membership.
4. Sexual harassment and/or creating an intimidating environment.

The following shall be the policy of The First Unitarian Church of Wilmington in dealing with these issues:

1. If an immediate response is required, this will be undertaken by the Minister(s), if available, and/or the leader of the group involved. This may include asking the offending person or persons to leave, or suspending the meeting or activity until such a time as it can safely be resumed. If further assistance is required, the Police Department may be called. Anytime any of these actions are undertaken without the Minister(s) being present, the Minister(s) must be notified and he/she will inform the Safer Congregations Committee. A follow-up letter detailing what steps must be taken before returning to the activities involved will be sent by the Minister(s) to the offending party or parties.

2. Situations not requiring immediate response will be referred to the Safer Congregations Committee. The committee will respond in terms of their own judgment observing the following:
 - a. The committee will respond to problems as they arise. There will be no attempt to define "acceptable" behavior in advance.
 - b. Persons identified as disruptive will be dealt with as individuals; stereotypes will be avoided.
 - c. The committee will collect all necessary information.
 - d. To aid in evaluating the problem, the following points will be considered:
 - DANGEROUSNESS - Is the individual the source of a threat or perceived threat to persons or property?
 - DISRUPTIVENESS - How much interference with church functions is going on?
 - OFFENSIVENESS - How likely is it that prospective or existing members will be driven away?
 - e. To determine the necessary response, the following points will be considered:
 - CAUSES - Why is the disruption occurring? Is it a conflict between the individual and others in the church? Is it due to a professionally diagnosed condition of mental illness?
 - HISTORY - What is the frequency and degree of disruption caused in the past?
 - PROBABILITY OF CHANGE - How likely is it that the problem behavior will diminish in the future?
 - f. The committee will decide on the necessary response on a case by case basis. However, the following three levels of response are recommended:
 - LEVEL ONE - The committee shall inform the Minister(s) of the problem and either the Minister(s) and/or a member of the committee shall meet with the offending individual to communicate the concern.
 - LEVEL TWO -The offending individual is excluded from the church and/or specific church activities for a limited period of time, with reasons and the conditions of return made clear. (Written notice is given to the individual from the minister, with a copy going into the Safer Congregation Committee files.)
 - g. Any action taken under item f. (above) may be appealed to the Board of Trustees
 - LEVEL THREE - The offending individual is permanently excluded from the church premises and all church activities by recommendation of the Safer Congregations Committee to the Board of Trustees. If it is decided that expulsion will take place, a letter will be sent by the Minister(s) explaining the expulsion.

We strive to be an inclusive community, affirming our differences in beliefs, opinions and life experiences. However, concern for the safety and well-being of the congregation as a whole must be given priority over the privileges and inclusion of the individual. To the degree the disruptive behavior compromises the health of this congregation, our actions as people of faith must reflect this emphasis on security.

Sex Offenders

It is expected that members of the congregation, staff, renters or any other adults using the building or potential members/participants with a history or active accusation of sexual misconduct/abuse/sexual offense, will make that history or accusation known to one of the congregation ministers, who will follow the procedures below:

Any adult, adolescent or child *accused* of a sexual offense of any kind will be placed on a tailored limited access agreement without prejudice. The Safer Congregations Committee will be convened within 10 days of such a person being made known to the minister, the DRE, or any member of the Safer Congregations Committee to develop the agreement (which may be subsequently revised upon more information). The limited access agreement will remain in effect until all charges are dropped or confirmed (in which case see below.) Persons will not continue to attend or participate in any programs or services of the congregation until a limited access agreement is drawn up. Adolescents or children who are known to have sexually abused or sexually assaulted another youth or child will only be allowed adult-supervised participation in future religious education or youth group activities. A therapist's evaluation can be considered by the committee before termination of the limited access agreement.

Any person convicted of a sexual offense or with a history of known sexual offenses will be placed on a limited access agreement without prejudice. The Safer Congregations committee will be convened within 10 days of such a person being made known to the minister, the DRE, or any member of the Safer Congregations committee in order to develop the limited access agreement. This will be done upon consultation with the person's parole officer and/or treatment provider so it may be determined that they can safely participate in the adult life of the congregation.

Any person accused, convicted, or with a history of known sex offenses who will not sign the limited access agreement will be denied access to any programs or services at the congregation.

For further procedures on responding to a person accused, convicted, or with a history of known sex offenses, the congregation will follow the procedures outlined in Balancing Acts. <http://www.uua.org/safe/children>
