

GIVING WITH INTENTION

When we give with intention, we give with integrity and heart. Our commitment gives energy to make a difference in the lives of those who worship with us, in the lives of our children and youth, and in the lives of those in our community and beyond who need the power of our collective liberal voice and loving action. At First Unitarian, with our considerable diversity of beliefs, we join as one in our mission to nourish minds and spirits, fight injustice, and transform the world through loving action.

YOUR GIFT MAKES A DIFFERENCE. Given with intention, it carries with it energy and possibility. With your generous support, we can:

- **Continue to build our beloved community**
 - Provide a welcoming, inclusive presence, whether in the building or online
 - Provide connections for both new and current members and friends, even in the midst of a pandemic
 - Enhance pastoral care and support for our members and friends in need
 - Reach out to share our UU mission, values, and principles with people seeking a new religious home
- **Nourish Minds and Spirits**
 - Worship and celebrate online and in the building with inspiring sermons, music, and choral performances, supported by an amazing technical team, to bring our services into the homes of members and friends near and far
 - Promote spiritual growth and the well-being of our community through adult religious education and small group ministries, including Soul Matters, Connection Circles, Creativity Matters, and LifeStream@FirstUnitarianWilmington
 - Provide inspiring, in-person and virtual programs and resources for children and youth which promote an understanding of how to live our Unitarian Universalist principles and values, grounded in our sources. We have a beautiful opportunity every week to change the world through this developing generation.
- **Fight Injustice, transforming the world through loving action**
 - Fortify social justice programs, including Independent Living for Young Adults, Emmanuel Dining Room, Environmental Justice, the Human Rights Task Force's Antiracism Groups, and the UU Service Committee initiatives, among others.
 - Strengthen the Unitarian Universalist denomination so our voice is heard locally, regionally, nationally, and internationally

“Money is a current, a carrier, a conduit for our intentions.”
